

MINGYANG FLANGE

LARGE DIAMETER FLANGE

HIGH AND MEDIUM PRESSURE FLANGE PROFESSIONAL INTELLIGENT MANUFACTURING

Large diameter flange

High pressure flange

Professional intelligent
manufacturing

6 Great advantage

STANDARD

Industry standard manufacturing

EQUIPMENT

Complete equipment

PRODUCT

Rigorous testing of finished products

WAREHOUSING

A large number of spot warehousing

PACKAGE

Product packaging is meticulous

LOGISTICS

Logistics is efficient and fast

ABOUT US

Zhejiang Mingyang Flange Co., Ltd. is a professional manufacturer of stainless steel flanges integrating forging and CNC finishing.

Production standards : GB/T9119-2000, JB/T4700-2000, HG20592-2009, HG5010-58, JB/T81-94, SH3406-1996, ANSI, DIN, JISB2220-2004, ISO7005-1, etc. and non-standard custom processing.

The main products : flat welding flanges, flat welding flanges with necks, butt welding flanges with necks, blind plates, orifice plates, marine flanges, pressure vessel flanges and Stainless steel pipe fittings series, etc.

The main materials : 304, 304L, 321, F321, 316L, 317L, 2520, 310S, 329, 317, F347, SUS630, 904L, F51, F53, F55, F60 (dual phase steel), Ming Mo steel, heat-resistant steel and other special material flange series.

application areas : petroleum, chemical, pharmaceutical, food, machinery, metallurgy, construction, electric power and other engineering projects.

Mingyang Flange has always been adhering to the business philosophy of professional manufacturing and honest service, with bold innovation, taking the lead, courage to explore, and pursuit of excellence. Entrepreneurial spirit, carry out technological innovation, improve the technical content of products, strengthen management, and build the core competitiveness of the enterprise. With a more realistic spirit, Better products and better services to make it bigger and stronger. Mingyang Flange will serve you wholeheartedly!

Conventional flange

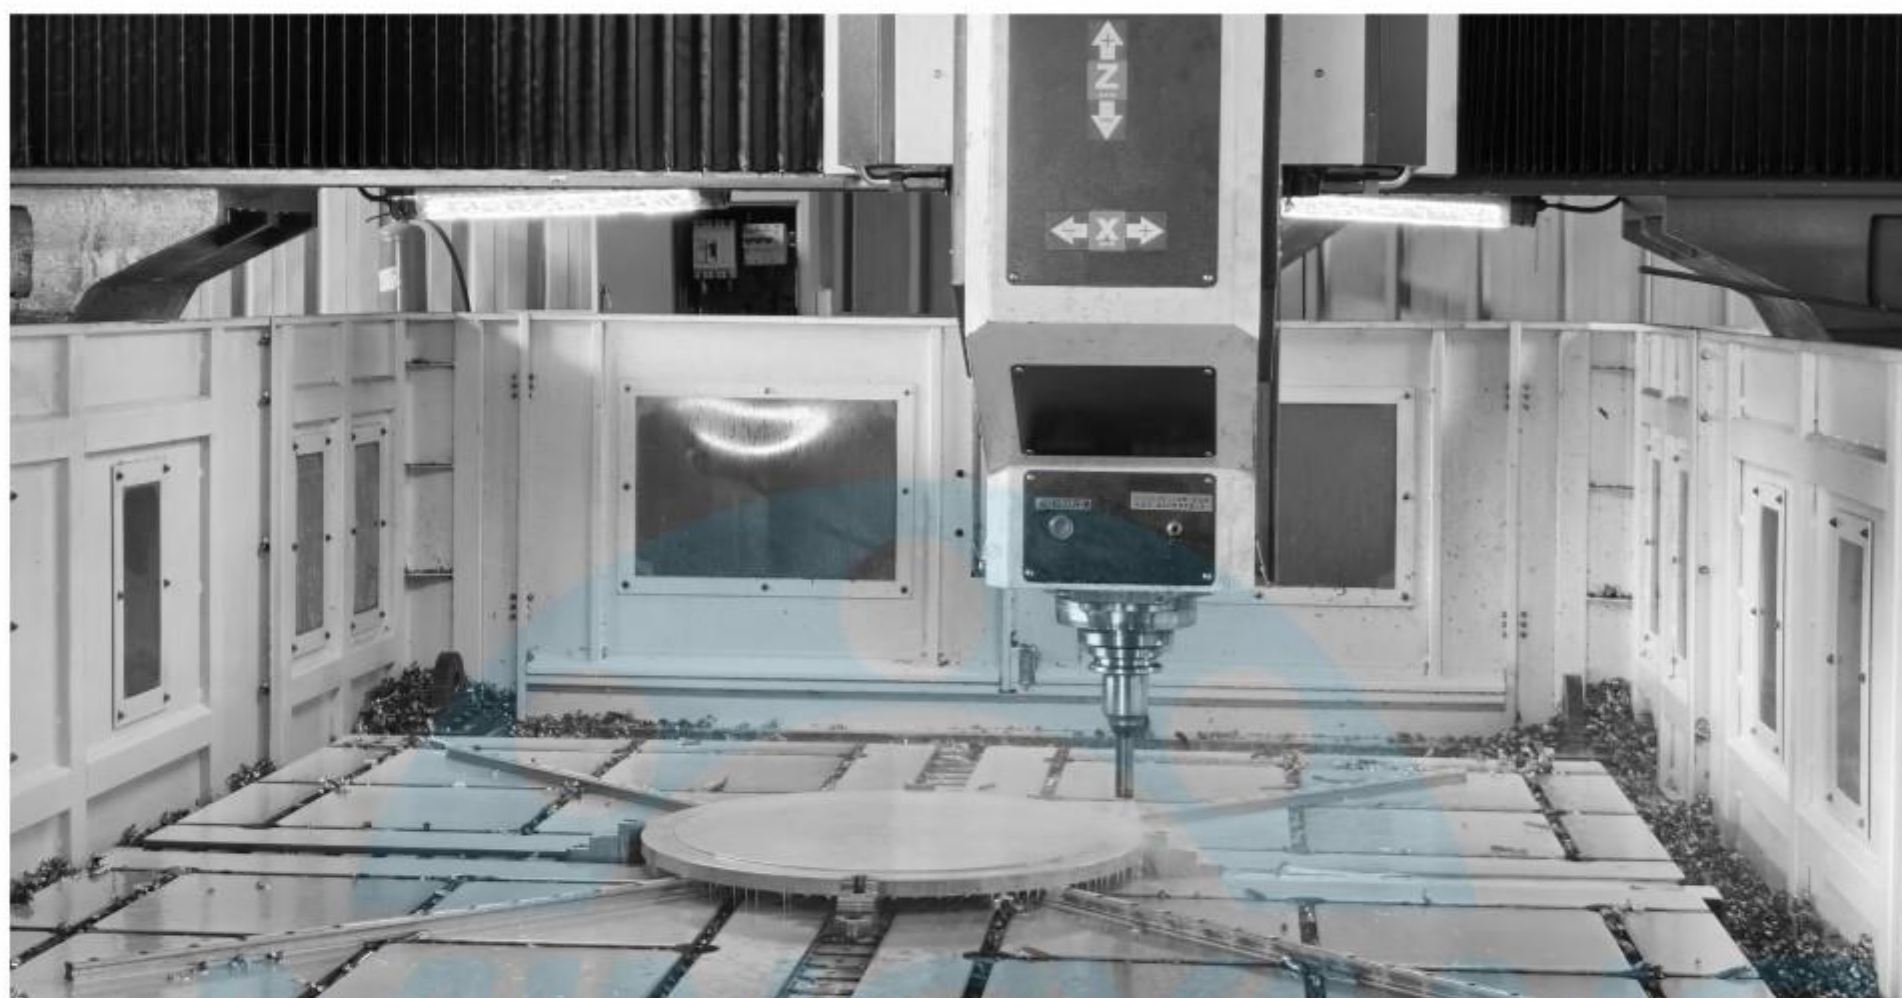

Large diameter flange

High pressure flange

High precision quick fitting joint

Non-standard flange

Intelligent Manufacturing Upgrade

Mingyang Flange has been upgrading and innovating in equipment, Let enterprises perfect in product quality control.

From raw materials to forgings, flanges are strictly required and checked at all levels.

MINGYANG

CONVENTIONAL FLANGE

Product material

304 / S30408 / S31603 S22053 / S31008 / titanium/ha / 904 l alloy and other special materials.

Product caliber

1/2"~240"(DN15mm-DN6000mm)

LARGE DIAMETER FLANGE HIGH AND MEDIUM PRESSURE FLANGE

Product Material:

304/S30408/S31603/S22053/S31008/904L/Titanium/Hastelloy and other special materials.

Product Size:

1/2" ~ 240" (DN15mm-DN6000mm)

HIGH-PRECISION QUICK COUPLING

Product Material:

304/S30408/S31603/S22053/S31008/904L/Titanium/Hastelloy and other special materials.

Product Size:

1/2" ~ 240" (DN15mm-DN6000mm)

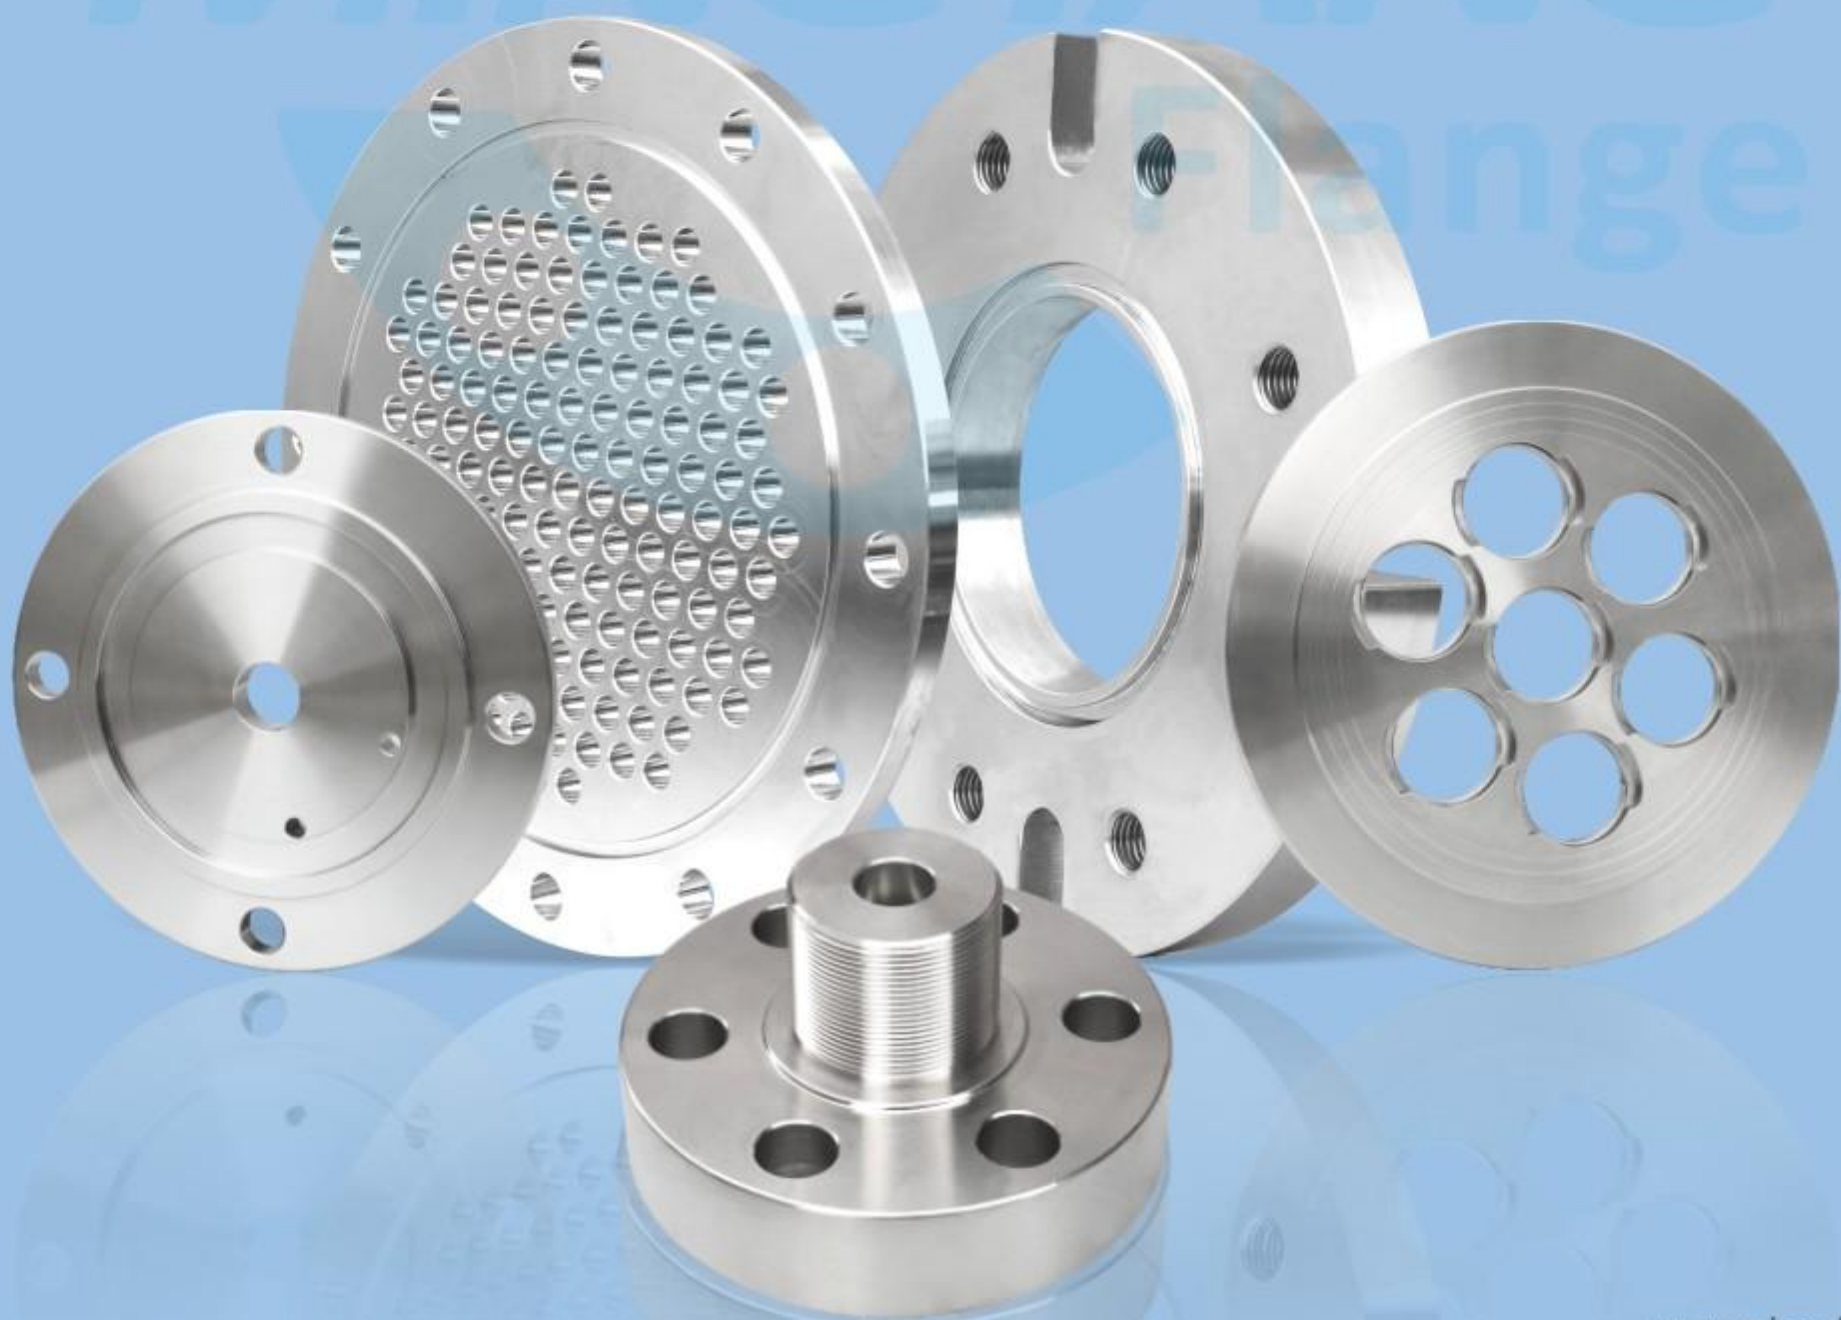

NON-STANDARD CUSTOMIZATION

Product Material:

304/S30408/S31603/S22053/S31008/904L/Titanium/Hastelloy and other special materials.

Product Size:

1/2" ~ 240" (DN15mm-DN6000mm)
